SOCIETY PURPOSE

The purpose and objective of the St. Thomas
More Lawyers' Society is to:

Promote and foster the high standards of ethics
and professional responsibility exemplified by
our patron, St. Thomas More, who as a family man
and lawyer showed lawyers and lay people how
to rightly order their lives.

Inculcate in its members and the public a deeper
understanding of their dependence upon
Almighty God as the source of all human rights.

Promote the study of theology, philosophy, and
jurisprudence to the end that the system of law
may better apply eternal truths to the solution of
everyday legal problems.

Sponsor Masses of the Holy Spirit, including the
annual Red Mass, to invoke God's blessing upon
the legal profession and persons in government,
and to promote the spiritual and moral welfare of
its members.
